INTERNATIONAL AIRPORT

Mission Statement

- To ensure the safety of passengers and employees, the protection of all assets, and compliance with all applicable policies of the Capital Region Airport Commission and government entities of the Richmond International Airport family.

Core Values

- To promote a positive safety culture that is inclusive of all companies and government entities.
- Establish and support cooperation between groups through positive relationships.
- Address unsafe practices or violations.
- Learn from others.

An aerial photograph of an airport tarmac. Three large commercial airplanes are parked on the left side of the frame. The rest of the tarmac is filled with various ground support equipment, including baggage carts, fuel trucks, and other service vehicles. A long, orange-roofed building is visible on the right side of the image. The text "Safety Vision" is prominently displayed in the center, with "National Incidents & News" below it.

2024 Year End Violations Program Review

As part of our effort to measure our progress in the realms of safety and security, as well as analyze trends a review of the previous calendar years' Airport Violations Program is conducted by Airport Operations staff.

Year End Violations Program Review

The review is conducted using only written Violation Notices issued by RIC Public Safety staff for the calendar year starting **01/01/2024** and ending **12/31/2024**.

Verbal warnings or coaching that are elements of the program are not documented or tracked.

Violations are sorted in to four categories:

- **GROUND OPERATIONS** (security related infractions)
- **VEHICLE OPERATIONS** (driving related infractions)
- **FUELING OPERATIONS** (bulk fuel storage, transport, and delivery)
- **OTHER** (all other infractions)

Violations are also sorted by employer type in an effort to focus on future education and compliance efforts. Violations are tracked by each charged infraction.
