It's Election Day!

The big day is finally here. Voting is a privilege and a civic duty we are granted as citizens of the United States of America. Dr. Martin Luther King Jr. said, "Our lives begin to end the day we become silent about things that matter." Make your voice heard today!

Boomerang Flies Into RIC

Lost and Found just got a whole lot easier! RIC has joined the Boomerang Network. Boomerang is a platform that assists customers in retrieving their lost items through a user-friendly, online system that should streamline the Airport's current lost and found processes.

Thanks to Boomerang, there are now 3 easy steps to recover lost items at RIC:

1. [Submit a claim.](#)
2. Boomerang's technology continuously searches for the item, providing daily updates.
3. A notification will be sent when the item is found!

When a customer approaches you regarding something they've lost at the Airport, be sure to direct them to this platform.

Blood Drive Results

by Susan Linn, Executive Assistant – Capital Region Airport Commission

Congratulations, Team RIC! You all showed out for our most recent blood drive. Our goal was 33 units, and we received 35: 28 whole units and 4 Power Reds, which equaled 7 units (1 Power Red was only ½ of one, usually a Power Red counts as 2 units).

We registered 42 people, 14 of which were new donors and 9 deferrals. Thanks to all who participated in making this quarterly drive a success. We possibly saved 105 lives.

Mark your calendars as our next drive is set for Monday, January 20th. [Sign up now](#) by entering our zip code (23250), searching for the Delta Air Lines Richmond & Capital Region Airport Commission, and selecting a time that works for you.

Thanks again for giving the gift of life!
