New Eats at Cross Grain Brewhouse

Get ready for bold new flavors at Cross Grain Brewhouse, where our friends at [Delaware North](#) are elevating airport dining with fresh menu additions!

Sink your teeth into the **No Fly List Loaded Potato**—a hearty, flavor-packed creation piled high with smoked pork, beer cheese, crispy bacon, fried onions, sour cream, and a drizzle of tangy BBQ sauce. Give the new **Street Corn Empanadas** a try: they're stuffed with roasted corn and topped with zesty lime crema, pickled Fresno peppers, and fresh pico de gallo for the perfect crispy bite.

Looking for lighter fare? The **Watermelon Feta Salad** delivers a refreshing blend of tender greens, watermelon, pickled shishito peppers, tomatoes, and crisp cucumbers.

For something bolder, don't miss the **Mole Shrimp Tacos**, served in soft flour tortillas and

stacked with shredded cabbage, creamy avocado, pickled Fresnos, pico de gallo, and a punch of lime crema. Go savory with the **Hot Ham and Gruyere** (pictured above)—a baguette loaded with roasted garlic aioli, pickled peppers, lettuce, tomato, and crispy fried onions.

All members of Team RIC enjoy 10% off—because great food should never be grounded!

PARKING ALERT: Managers' Lot Closure

by Kevin Mallory, Landside Operations Manager, Capital Region Airport Commission

The Commission will be conducting survey work in and around the Manager's Lot on **Friday August 29th, 2025**. The work is scheduled between **8:00 a.m.-12:00 p.m.** During this time, **all vehicles must vacate this facility**. Displaced parkers are authorized to utilize the Valet Lot on a one-day basis.

Please exercise caution while operating your vehicle in this facility and **utilize the spaces detailed to the right**. Thank you for your cooperation.

Bike Rack Relocation

Heads up: if you ever ride your bike to RIC, our bike rack now has a new, more convenient location! Previously, the rack was located in the north parking garage; now it has been installed just outside the Arrivals Level in a secluded, well-lit area near door #.

Why bike to the airport? You could improve your fitness, reduce carbon emissions, save money, and enjoy the recent beautiful weather. If you're considering changing up your commute, now is the time.
